

## **PATIENT'S BILL OF RIGHTS AND RESPONSIBILITIES**

The staff of these health care facilities recognizes you have rights while a patient receiving medical care. In return, there are responsibilities for certain behavior on your part as the patient. These rights and responsibilities include:

### ***A patient has the right to:***

- be treated with courtesy and respect, with appreciation of his individual dignity, and with protection of his need for privacy.
- \* a prompt and reasonable response to questions and requests.
- \* know who is providing medical services and who is responsible for his care.
- \* know what patient support services are available, including whether an interpreter is available if he does not speak English.
- \* know what rules and regulations apply to his conduct.
- \* be given by his health care provider information concerning diagnosis, a planned course of treatment, alternatives, risks, and prognosis.
- \* refuse treatment, except as otherwise provided by law.
- \* be given, upon request, full information and necessary counseling on the availability of known financial resources for his care.
- \* know, upon request and in advance of treatment, whether the health care provider or health care facility accepts the Medicare assignment rate.
- \* receive, upon request, prior to treatment, a reasonable estimate of charges for medical care.
- \* receive a copy of a reasonably clear and understandable, itemized bill and, upon request, to have charges explained.
- \* impartial access to medical treatment or accommodations, regardless of race, national origin, religion, physical disability, or source of payment.
- \* treatment for any emergency medical condition that will deteriorate from failure to provide treatment.
- \* know if medical treatment is for purposes of experimental research and to give his consent or refusal to participate in such experimental research.
- \* express concerns regarding any violation of patient rights.
- \* have the right to change primary or specialty physicians or dentists if other qualified physicians or dentists are available.

### ***A patient is responsible for :***

- \* providing to his health care provider, to the best of his knowledge, accurate and complete information about present complaints, past illnesses, hospitalizations, medications, and other matters relating to his health.
- \* reporting unexpected changes in his condition to his health care provider.
- \* reporting to his health care provider whether he comprehends a contemplated course of action and what is expected of him. < following the treatment plan recommended by his health care provider.
- \* keeping appointments.
- \* his actions if he refuses treatment or does not follow the health care provider's instructions.
- \* assuring that the financial obligations of his health care are fulfilled as promptly as possible.
- \* following health care facility rules and regulations affecting patient care and conduct.
